

# Farm 2 Table

- Bring your entry ready to display.
- Competitors may only exhibit one entry of the same variety in the same class.
- Be sure to highlight any “green” or sustainable methods incorporated into your process.
- Please ensure any identifying labeling is removed so judging remains blind. Your name will be displayed after judging is complete.
- For entries that require water to remain looking their best in the Farm 2 Table Category, the Denver County Fair will provide water throughout the weekend.

Division Code	Division Name	Additional Information
<b>Vegetables, Tomatoes and Herbs</b>		
F2T - VTH	Vegetable	Any variety, 2 samples. If entering mushrooms, please enter a pint box. Entries are judged based on best formation, color, and being true to species.

<b>Gardens and Soil</b>		
F2T - GAS	Fairy/Fantasy Terrarium/Garden	Two or more varieties of plants (same species is ok) in your own container with a fairy/fantasy scene (will be used as part of the display and judging).
F2T - GAS	Youth Farm 2 Table: Fairy/Fantasy Terrarium/Garden	Two or more varieties of plants (same species is ok) in your own container with a fairy/fantasy scene (will be used as part of the display and judging).
F2T - GAS	Compost	A mixture of various decaying organic substances, as dead leaves or manure, used for fertilizing soil. Please provide a bucket or bag of end result product. Additionally, submit an exhibit board that includes important information to demonstrate your step-by-step process, progress made, lessons learned, achieved goals, end result and use of the product. We encourage you to include photos or drawings in addition to the written content on your exhibit board. Extra visual aids including samples of what goes into your compost process are acceptable as well.

<b>Herbal and Homeopathic Goods</b>		
F2T- HHG	Homeopathic Remedies and Therapies	Entries can include Herbal Topicals, Tea Blends, or Tinctures. The practice of medicine that embraces a holistic, natural approach to the treatment of the sick. Homeopathy is holistic because it treats the person as a whole, rather than focusing on a diseased part or a labeled sickness. Homeopathic ingredients come from natural sources, whether vegetable, mineral, or animal in nature.
